

BOSTON AND HAKUSAN CITY

EXCHANGE 2018/2019

**Year 8 and 9
Students
Experience Japan**

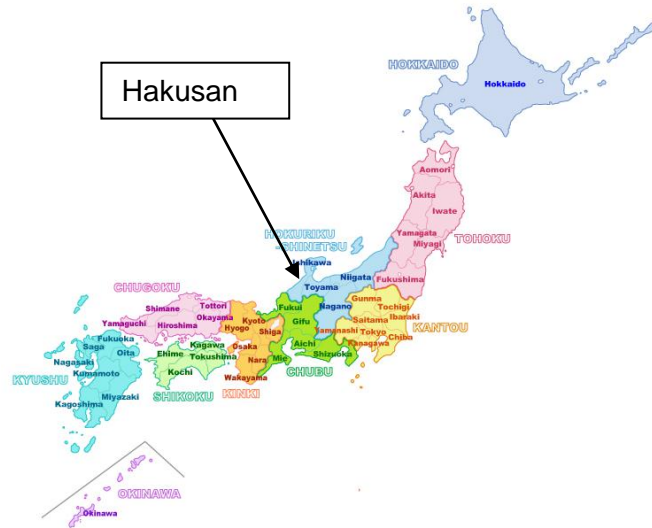

Students from the City of Hakusan, a City on the Northwest coast of Japan, have been involved in exchange visits with Boston students for over 22 years.

We are now selecting young people for the 2018/2019 Exchange.

The Exchange is an opportunity that cannot be purchased on the High Street.

You will have the chance to:

- experience a completely different culture and lifestyle
- host a Japanese student for 10 days during July 2018
- visit Japan for 12/14 days during July 2019
- personally develop through commitment to a long term project
- meet new people and make lasting friendships...the list is endless

We would like to find a group of young people who will be in school Year Group 8 or 9 in September 2017 living, schooling or attending a club, or has a parent/guardian working within a 10 mile radius of Boston to represent the 2018/2019 Exchange.

The Exchange is run outside of school with regular meetings for both the young person and a supportive adult. Meetings will take place in Boston.

To make the Exchange more accessible the young person and their supportive adult/families are responsible for organising fund raising events with an aim to cover the majority of the cost of the Exchange, with the remainder being parent/guardian contribution (historically £500 to £700 but spread over the 16 months that is £35 to £45).

We need enthusiastic, open minded, opportunity seeking young people to apply.

If this sounds like you or someone you know please contact the Hakusan Exchange for an information sheet and application form at the following email address

japanbostonexchange@hotmail.com

Open/information afternoon Sunday 8th October 2017 (address on enquiry).

Application closing date: Monday the 9th October 2017

Interviews the weekend of the 21st and 22nd October 2017
