

Giles Academy achieves ArtsMark Gold!

The Giles Academy has just received the news that we have achieved the prestigious ArtsMark Gold Award from the Arts Council England organisation.

The Giles developed the highly successful Romeo and Juliet project last year, working with artists and with students making visits to the theatre and the Royal Shakespeare Company.

To achieve this award we had to present a proposal and then complete a detailed report with supporting evidence that was then submitted to Arts Council England for assessment.

The following quote is from their letter just received by the school:

'Your Statement of Commitment and Case Study have been reviewed by our Levelling Panel and we are delighted to inform you that The Giles Academy has been awarded an Artsmark Gold Award. Congratulations! The panel has made the following comment about your submission: The panel commended the clear commitment to and understanding of arts and culture in your school.'
