

Summer Camp Kit List

The trips will take place over three full weeks of term, starting on the **10 June**, continuing through to **27 June** this year, during the normal school week.

Students will require a packed lunch for the first day.

A recommended Kit List is provided to ensure that your child is adequately prepared for the anticipated weather conditions. Waterproof clothing, boots and sleeping bags are available to borrow if required, but do not need to be pre-booked.

By turning up to the Academy in the outdoor clothing, we can immediately see that everyone has the correct kit, also it will save a great deal of time on arrival, allowing us to start activities quickly. As space on the minibuses is limited, please pack the remaining kit into a small holdall. A small backpack can be used for the packed lunch and then afterwards on the activities.

The Academy does not accept responsibility for personal possessions, and Mobile phones, iPods, etc. will not be allowed on any activities.

If you have any questions, please do not hesitate to contact the Academy.

David Relton
Head of Giles Adventure
