Dear Parents/Carers

We are aware that the media are broadcasting information about school closures in Lincolnshire and the ongoing Coronavirus situation.

South Lincolnshire Academies Trust are keeping abreast with the constantly updated information distributed by the Department for Education and Public Health England and are reviewing how this impacts SLATrust. With this in mind we are confident that we are taking all of the necessary actions.

South Lincolnshire Academies Trust schools default status will always be open unless stated otherwise via parent email, websites and social media pages.

We will keep you updated with all of the necessary information as and when it becomes available on the designated page of our website and update parents via letter should there be a significant change in advice issued.

If you have recently visited any of the affected areas and have any concerns, please contact the school.

Yours faithfully,

Ms H Lewis
