Dear Parents/Carers

Re: Pupil Premium Application

We are well aware that due to the current crisis many families are suddenly experiencing financial hardship. The government has indicated that it is planning a national response for families of students in need although we do not have any further details.

We would recommend that any families that find themselves in this position apply for Pupil Premium funding. This should entitle students access to immediate support. We are currently looking at ways in which we can support students entitled to free school meals in advance of a national scheme.

Pupil premium applications are completed online at:
