

GILES ACADEMY BEHAVIOUR AND SAFETY CODE

THE 9 POINT PLAN

1	<p>‘Ready to learn’ ...</p> <p>All students must attend school in full school uniform and with ALL the necessary equipment.</p> <p>Equipment needed includes: Black Pen; Red Pen; Purple Pen; Ruler; Eraser; Pencil and Calculator. Equipment will not be issued by staff in any lesson</p> <p>The School uniform code is in place for ALL STUDENTS as normal from September - including no extreme hair styles or colour; no facial piercings other than one earring in each earlobe; no decorative nails and no visible tattoos.</p> <p>Please note, if travelling on public transport it is compulsory to wear a face covering, which must be removed and put away prior to coming on to school site.</p>
2	<p>Start of the day ...</p> <p>The school will open at 08.15am for student access. Students will be expected to enter the site in a controlled fashion, abiding by the 1m social distancing rule.</p> <p>All students will be in a Year Group Bubble and taught in Zone Areas.</p> <p>Every morning students will need to make their way to their allocated ‘Zone Base’ – i.e. a designated Yard, where there will be a staggered release for all lessons, break and lunch.</p>
3	<p>Student Movement ...</p> <p>Safe practice is absolutely critical, so all students will be expected to follow the one-way system and designated pathways around school including during free time – which will be supervised and controlled to designated ‘Zone Base’ yards.</p> <p>Students are expected to follow the clear directions in school for safe movement around the building.</p> <p>NO STUDENT is permitted to deviate from designated areas or attempt to socialise with peers in other year groups.</p>
4	<p>Classroom conduct / Seating Plan ...</p> <p>Every lesson will have a clear seating plan, tables / work spaces and controlled activities. ALL students are to follow and adhere to these at all times.</p> <p>Students will not be permitted to move ‘freely’ around the classroom.</p>
5	<p>Behaviour Management Policy ...</p> <p>The school is open to all students, but only under the safety conditions set out. Any poor student behaviour cannot be tolerated, especially in the current climate. As a result, students and therefore parents can expect a zero-tolerance approach to poor behaviour or behaviour, with immediate action for those not adhering to schools rules.</p>
6	<p>Safe Behaviour ...</p> <p>Any behaviour that is deemed unsafe (i.e. unregulated movement, failure to follow safety restrictions etc.) will result in sanctions and potential removal from school.</p> <p>There needs to be an understanding that safety is paramount, so all students have a responsibility to behave appropriately and in accordance with the safety plans.</p>
7	<p>Break and Lunch ...</p> <p>Students will have a designated ‘Zone Base’, i.e. a designated Yard for break and lunch. They will not be permitted to leave this area, unless for a toilet break.</p> <p>Students are encouraged to bring a packed lunch if required into school, as the majority of food will be served via yards limiting the options available.</p>
8	<p>Mobile Phones & Headphones ...</p> <p>From September 2020 - NO Mobile Phones or Headphones to be visible on school site.</p>
9	<p>Reward and Praise ...</p> <p>Most importantly, all students attending can expect to be rewarded whilst in school and during lessons. We always strive to create a positive environment. Parents can expect to see entries on Show My Homework. This will be centred on the learning, but also the school environment, which we all have a responsibility to protect.</p> <p>There will be continued rewards and treats along the way as we support our students in school ... 😊</p>
