

23 December 2020

Dear Parent/Carer

SLAT Free School Meals Provision for the Week of 4th – 8th January 2021

As you are aware, there will be a staggered start for students to term 3, with some students working in school and others doing home learning. We are pleased to let you know that we are issuing FSM students in all year groups with a £15 food voucher for the week in place of the usual school canteen allowance. This includes Year 11 students.

The £15 worth of food vouchers for each student will be issued via email or post (according to previous arrangements). This should be with you before the 4th January.

Please note the following:

- Students who are in school will also be able to access their usual £3 daily allowance of free school meals, however choices in the canteen will be very limited.

Yours faithfully

Miss K Belcher
Deputy Headteacher
Giles Academy

Please contact Mrs Pell on spell@gilesacademy.co.uk if you require any further information.
