

1st December 2020

Dear Students, Parents and Carers

Please find attached a copy of the timetable for the Pre Public Examinations that will be taking place in December, these are in preparation for the BTEC/CNAT & CTEC exams taking place in January and February.

We understand that during time of national uncertainty around examinations you may have concerns regarding these. Current guidance is that these exams will be taking place in the new year and so it is important that we give our students the best possible opportunity to prepare. We will be following all national guidance for the running of exams safely.

If students are unable to attend their PPE exam due to experiencing Covid symptoms or being required to isolate, we will make arrangements for the completion of the PPE either at home via email or on an alternative date.

If students are unable to attend the actual exam in January/February due to experiencing Covid symptoms or being required to isolate, current guidance indicates that we would be able to apply for Special Consideration. If the student has already completed the minimum required percentage of coursework or examination units a grade should then be awarded by the exam board. Alternatively, the student could sit the exam again in the summer term.

If you have any further questions or concerns, please do make contact.

Yours faithfully

Miss Dyer
