

Head of School

Friday 27th June 2025

UPDATE

Dear parents/carers and students,

As we approach the final weeks of the academic year, we would like to thank you for your continued support and engagement with all aspects of school life. Your partnership plays a vital role in the success and wellbeing of our students.

On Wednesday, our Year 11 Celebration Prom was held at Boston United Football Stadium. It was a magical evening filled with elegance and excitement. Students arrived in glamorous attire, creating an atmosphere of sophistication from start to finish. Fire engines, police vans, a horse and a fleet of motorbikes were amongst the variety of exquisite transport for the event. The venue was beautifully decorated, setting the perfect backdrop for memorable photos. The evening began with the arrival extravagant vehicles and photos, followed by an address by Miss Belcher and Mrs Conley, then onto the dancing where students showcased their best moves to a mix of classic and contemporary tunes. The Prom Awards were the centrepiece of the evening with the night concluding with every student on the dance floor together for the final time as the Class of 2025. The students were exceptional and I was a very proud Head of School! We will see them all again for Results Day on Thursday 21st August 2025, when we will hopefully be all celebrating again. Look out for photos from the Prom on our school website and social media platforms next week.

Today, we welcomed over 180 enthusiastic Year 6 students to our school site for their Transition Day. This important event gave our future students the opportunity to explore their new environment, meet staff and peers, and begin building the confidence they'll need for a successful start in September. The day was filled with curiosity and excitement, with students asking countless questions and engaging in a variety of activities designed to help them feel at home. We are really looking forward to seeing all students again in September. For parents and carers who have questions about the transition process, please visit our dedicated webpage: www.gilesacademy.co.uk/transition-2025

This week our Under 15 Girls Cricket team played Kesteven and Grantham Girls School in the County Cup Final of this competition. It was a wonderful opportunity for our students to play on a proper cricket wicket at Boston Cricket Club. Mrs Cooper reports "A fantastic match that was won by Kesteven and Grantham School who had many club and county level cricketers, but it was the most wonderful experience for our students". Congratulations to all cricketers who participated in this County Cup competition.

The weather is predicted to remain very warm next week therefore, we will continue with our non-compulsory Blazer Week. Please remind your child to ensure they have their canteen card, bus pass and all equipment in school as required.

I hope you all have a wonderful weekend.

Kindest regards,

Miss Katie Belcher
Head of School, Giles Academy
