# Bedrock Vocabulary: what is it?

Bedrock Vocabulary is an online programme that helps students learn **new vocabulary**. It will help students learn the tricky sort of language they might come across in text books, lessons or exams.

**How many of the words in the list on the left does your child already know?**

By working through the digital lessons, they can learn them all and hundreds more!

You have been sent a letter with information about how you can login to the Bedrock system to check on and support your child's progress with Bedrock. It has been seen by the Bedrock team that parental engagement really helps students to make good progress so we do hope you will have a look.

Thank you for supporting us with this new initiative.

# What do we expect from your child?

Each week, they need to complete a minimum of **2 Bedrock lessons**. The English department will set this as homework on Show My Homework.

Each week, the teacher is emailed a report that looks like this:

Student name	Class	☹️	-	Block 7 Topic 1: Strange Places: 83.33%	Improvement: 150.02%	15
Student name	Class	☺️	Block 7 Topic 2: The Sahara Desert Block 7 Lesson 10 (30 Oct 2016): 100% Block 7 Lesson 9 (26 Oct 2016): 100%	Block 7 Topic 1: Strange Places: 100%	Improvement: 11.11%	3

This means they can tell who's been improving their vocabulary and who hasn't! You can check your child's progress with your parent log in.
