

For your parent/guardian access to Show My Homework please see the below guidance.

To obtain your parent code please ask the student to log into their account on a web browser and go to Account Settings. Once they have logged in, within the Account Settings on the righthand side there is a section called My Parent Code as shown below:

Please click show code and you should be able to access your parent the code via this method.

For guidance on setting up your parent account please follow the guidance on the below link:

[Logging in as a parent | Satchel Help Center \(intercom.help\)](#)

Any problems please do not hesitate to contact ITSupport in your school.
